

Sliding Fee Scales

Your household size and income determine your eligibility under our sliding fee scales:

Tier 1: 100% FPL and under

- \$25 per visit for core primary care & behavioral health visits, including psychotherapy visits
- \$0 for case management services
- Labs offered at the lowest discounted rate, priced per lab

Tier 2: 101% – 175% FPL

- \$50 per visit for core primary care & behavioral health visits, including psychotherapy visits
- \$10 per visit for case management services
- Labs offered at the second lowest discounted rate, priced per lab

Tier 3: 176% – 250% FPL

- \$75 per visit for core primary care & behavioral health visits, including psychotherapy visits
- \$20 per visit for case management services
- Labs offered at the third lowest discounted rate, priced per lab

Tier 4: 251% – 300% FPL

- \$100 per visit for core primary care & behavioral health visits, including psychotherapy visits
- \$30 per visit for case management services
- Labs offered at the fourth lowest discounted rate, priced per lab

* *FPL = Federal Poverty Level, using 2026 guidelines*
